

## LITERARY STUDY TOUR TO IRELAND

### NEWSLETTER 4

6 JUNE 2006

---

#### **Turning in Work for ENG 225, 302, 350, 550 . . .**

*Early submission of work is appreciated!*

##### ***For work due May 15-18***

Some of you still need to complete the pre-departure papers. If I did not receive papers or a journal from you prior to May 18, please forward it to me by June 30 using the mailing information below.

##### ***For work due August 7***

All research essays and journals need to be completed and in my hands by August 7. As the summer progresses, I will be in my office at various times. I will let you know when I will be there so that, if you need to talk through an assignment, we can schedule an appointment. In the meantime, please mail me with questions. Use the mailing information below to send your final projects to me.

##### ***Journals***

Journals can be turned in in their original format, retyped and illustrated with captioned digital photography, or created into a lavish website with text and illustration.

## Mailing Information

Use any of the following options. Please email me when you turn something in, telling me how I will receive it, so that I know where and when to look for it.

1. Electronic copies of papers may be sent to my email, [helmers@uwosh.edu](mailto:helmers@uwosh.edu).
2. Paper copies may be forwarded to my home address:

*Please contact me for the address through my email.*

3. Paper copies may also be left in the English Department office. However, if you use this option, you must turn in your papers by Thursday, August 3.

If you would like any work returned to you prior to the fall semester 2006, please include a self-addressed, stamped envelope with your papers.

## Irish Fest Reunion

Milwaukee's Irish Fest is the largest festival of Irish music and culture in the US! It will be held at the Summerfest grounds on the Milwaukee Lakefront, August 18-20. Admission is \$12. Look at the list of entertainers at [www.irishfest.com](http://www.irishfest.com).

Many people expressed an interest in getting together at Irish Fest for a Study Tour Reunion. Caitlin will be dancing with the Trinity Irish Dancers on one of these days:

Saturday, August 19. 3:15pm at the Old Style Stage

Sunday, August 20. 12:45 at the Aer Lingus Stage

Our reunion will be one of these days, so keep them open!

## Writing Opportunity: Quick Response Needed!

In an effort to make study abroad programs more widely known, the Office of International Education is working with the *Advance Titan* to come out with a monthly column, written by study abroad students, entitled something like "Tales from Abroad".

Is anyone interested in doing a one-time column like this? The OIE would also like these submissions to be turned in within 2-3 weeks of the group's return from the trip, so the stories are fresh in the students' memory.

Please turn in columns to the OIE, and they will decide (along with me, as the faculty leader) which to submit to the *AT*.
